

FABIAN BLEILE

EDUCATION

Master Mathematics
TU Munich
Oct '22 - Apr '25 | Munich | ∅ 1.5
Area of focus algorithmic mathematics, data science, ML, causality.

Bachelor Mathematics
Rheinische Friedrich-Wilhelms-Universität Bonn
Sep '18 - Feb '22 | Bonn | ∅ 1.7
Area of focus algorithmic mathematics.

Google Android Developer Nanodegree
Nov 2017 – Aug 2018 | online

Abitur
Ferdinand-Porsche-Gymnasium Zuffenhausen
Sep '09 - Jul '17 | Stuttgart | ∅ 1.4

RESEARCH EXPERIENCE

TU Munich
Jan '26 - Jan '30 | PhD Candidate | Munich
Research on mathematical theory for learning causal modelsin the presence of feedback loops.

TU Munich
Jun '25 - Sep '25 | Student Res. Ass. | Munich
Extending on the work of the Master thesis.

TU Munich
Oct '24 - Apr '25 | Master Thesis | Munich
Exploring causal modeling with stationary diffusions and how to incorporate prior knowledge, like marginal independence into the model.

Student Researcher Siemens
Apr '23 - Jul '23 | Case Study | Munich
Train routing and scheduling. Designing and implementing algorithms to optimally reroute and reschedule trains, reacting on perturbations, whilst minimizing secondary delays.

University of Bonn
Mar '21 - Aug '21 | Bachelor Thesis | Bonn
Exploring randomized algorithms for graph coloring, analyzing local search convergence and introducing a distance metric to support diversification.

PUBLICATIONS

Bleile, F., Lumpp, S., Drton, M. *"Efficient Learning of Stationary Diffusions with Stein-type Discrepancies."* (AISTATS 2026, Poster)

TEACHING EXPERIENCE

TU Munich
Oct '24 - Apr '25 | Tutor | Munich
Tutoring the lecture 'Machine Learning'.

Universität Bonn
WS 19/20 & WS 20/21 | Tutor | Bonn
Tutoring the lecture 'Algorithmic Mathematics'.

CONFERENCES AND PRESENTATIONS

- AISTATS 2026, Tangier, Marocco (Poster)
- TUM GNI Symposium 2026, Munich, Germany (Poster)
- MCML Munich AI Day 2026, Munich, Germany (Poster)
- IMS Annual Meeting 2026, Salzburg, Austria (Talk)

AWARDS

2017 | DPG-Abitur-Award
2025 | MSc with distinction
